

Products Highlights

- Light and strong
- Easy to use
- Does not damage cables
- Makes it easy to insert wire harnesses inside R2000 type products

Roundit-Tool 5-19

Roundit-Tool 5-19 is designed to ease installation of the Roundit 2000 range of products.

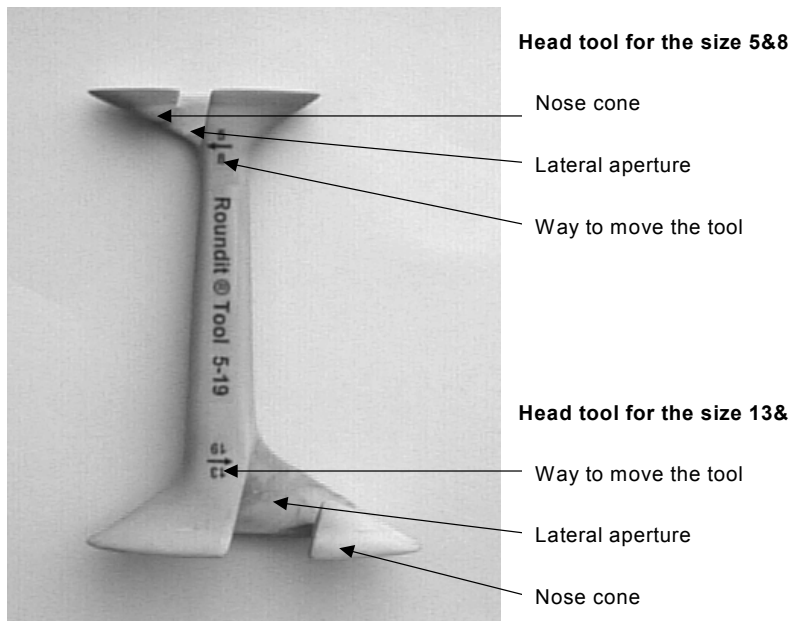

Its ergonomic construction makes it easy to handle.

- Roundit-Tool 5-19 covers the sizes 5 and 8 with the lower part and the sizes 13 and 19 with the upper part.
- Roundit Tool is also available in a single head version for the sizes 5, 8 & 13.

Roundit-Tool 5-19 is widely used in the aeronautical, marine, railway and military industries.

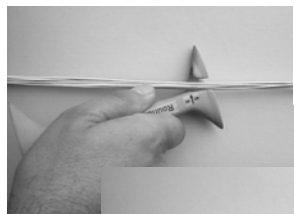

Installation guide of the double head tool

Roundit®-Tool*

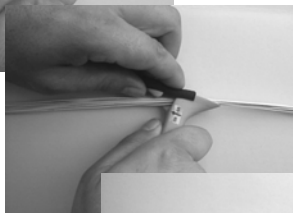

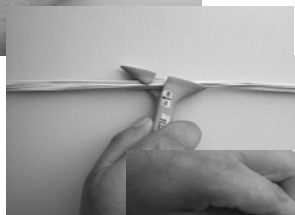

* **Bentley Harris®** Roundit-Tool is a patented product, developed for the **Bentley Harris®** Roundit 2000 range. It is not authorised to use it for any others products.
